

**The Southern Region of  
The American Academy of Psychotherapists**

is proud to invite you to an evening salon and pot luck.

**Whispers of Affirmation**

In keeping with AAP tradition, the Southern Region Committee invites you to an evening of experience. You will be presented with an opportunity to “speak what you need to hear”.

AAP Southern Region is a very active part of AAP. We are a multidisciplinary group, dedicated to keeping the art of psychotherapy alive and dynamic. AAP believes in the value of experiential, expressive, depth and humanistically oriented psychotherapies, and in development of the therapist on all levels, especially the person. The mission of the American Academy of Psychotherapists is to invigorate and support the psychotherapist’s quest for excellence and growth through authentic interpersonal engagement.
